WELCOME

Welcome to Kent and to the 48th annual Kent Cornucopia Days celebration, hosted by the Kent Lions Club! This fun event offers a cornucopia of activities, entertainment and events with something for everyone in your family to enjoy. It also brings residents and visitors from across the region to explore our 128-year-old city and the diverse cultures that make us unique.

This years theme is Kent Lunaropia Days. We celebrate the technology that the Kent Valley has brought to the world universe. Boeing began building the Lunar Roving Vehicle in 1969, and in 1971 and 1972 LRVs were used on the Apollo 15, 16, and 17 lunar-landing missions. The LRV looked more like a dune buggy or a golf cart than a manned spacecraft. The legacy of the LRV, however, extended back to Earth, where its technology helped evolve the motorized wheelchairs that today provide many people with a way of negotiating around this world.

The Kent Downtown Partnership and the City of Kent are fundraising so that we can have a Lunar Rover replica and astronaut at Kherson Park in October 2019. Come see the astronaut at Town Plaza Park during Kent Cornucopia. It is a 'selfie' dream coming to Kent.

As part of Seafair, Kent Cornucopia Days is South King County's oldest and largest festival. It features a street fair with a variety of vendors from across the region, including everything from handmade jewelry and yard art to homemade sauces and 12th man-themed accessories. The festival has one food court that is out of this world along with food vendors throughout the street fair. We have consolidated entertainment and now have one stage in Town Plaza Park for your enjoyment.

Other favorite activities include the Kent Cornucopia Days 5K Fun Run/Walk, hosted by Kent Parks, the Cornucopia Dragon Boat Races at Lake Meridian and a Grand Parade to wrap up the weekend. We are also bringing back the car show to delight you all.

None of this would be possible without the hard work and dedication of the Kent Lions Club members, our city employees and a great group of volunteers from throughout our Kent community. If you see a volunteer, say Thanks. If you want to be a Volunteer, contact us at KentLions@gmail.com

Our Families are looking forward to Kent Cornucopia Lunaropia Days, in fact you might say the sky's the limit. You might even catch us with an astronaut.

2019 Parade Grand Marshal to Boeing Staff

Our Grand Marshals for 2019 are Lunar Rover Alumni to include Maine Tonkin, Dennis McKillip, Charlie Martin, Harris Atkins and John Winch. Mike Lombardi, Boeing Corporate Historian and Kent resident, is also being recognized for providing information to the City of Kent which in turn is helping us to update Kherson Park with a Lunar Rover replica along with an 'astronaut' to commemorate Boeings space contributions from Kent. The City of Kent has submitted an application to the Landmarks Commission, after the Kent City Council formally recommended doing so. This initiative is one of the many ways we're celebrating Kent's historic and continuing legacy of space exploration. And Kent Lunaropia is the way the Kent Lions continues with the excitement.

Our Lions Marshals are members of the Lions Childhood Cancer Family Support Group, we have Christina Turner, Mary Bridge Children's Foundation along with

Dee & Jim McDermott, Lions Chairs and Past Lions District Governor Sharon Sikes. They have fund raised at all District Lions Club. The money raised is to support families who have children with cancer and are housed at Mary Bridge Hospital in Tacoma.

Our Local Marshals are Fergus Prestbye, Chairman of the Board of Directors for the fundraising, KENT GRAND ORGAN and Pastor Jane Prestbye of Kent Lutheran Church. KENT GRAND ORGAN has been a process that started in 2006 when 3300 pipes were given to Kent Lutheran by the Commonwealth of Massachusetts on behalf of a Baptist Church in Salem that was being renovated and moved to another site. The organ, built in 1978 by the Hutchings Company, when completed it will be the second largest pipe organ in the Northwest outside a Cathedral setting. It will feature two consoles, including one in the balcony, with electronic enhancements that will provide a full range of orchestral and popular music. Kent Lutheran Church has adopted an idea that has transformed many older churches in the Eastern part of the United States called Sacred/Civic Spaces. As a way to better meet the needs of its surrounding community in downtown Kent, the church has created "A Gathering Place for Cultural Arts." More details on kentgrandorgan.org

MAPLE VALLEY STREET RATS CAR CLUB

Our club was founded in Maple Valley, Washington. The club has two primary goals. The first goal is to promote preservation, enjoyment, restoration and or modification of 1982 and older vehicles without make or model preference. The second goal is to provide scholarships on automotive technology to deserving students.

The Maple Valley Street Rats is a spin-off from the Tahoma High School Street Rats, also of Maple Valley. The Tahoma High School auto shop instructor and his students established the Tahoma High School Street Rats in 1985. The name "Street Rats came from Street Rods plus the big block Chevrolet engine nickname. A student from Tahoma High School used the colors scarlet and the black to design the Street Rat logo. The original goal of the high school club was to develop interest in hot rods and muscle cars. As the club grew, its goal shifted to providing community services such as food drives, Easter egg hunts, Christmas toy drives and many more services.

The idea for the Maple Valley Street Rats started in an effort to offer financial scholarships to deserving students going to automotive schools after high school. From 1999 to 2018 the Maple Valley Street Rats has awarded more than \$63,000 for students to attend a variety of automotive schools. The club started in 1998 with seven members, mostly from local automotive businesses in Maple Valley. The Maple Valley Street Rats has developed the following scholarship fundraisers:

Friday night cruise-ins Covington, Washington at the Walmart store. Cruise-ins start the 1st Friday in May and commence the last Friday in September. The club has a trailer that is towed to each event. The trailer has an announcer that plays 60's and 70's music. There are drawings throughout the show and potential winners are awarded automotive type gifts.

Kent Cornucopia Days Car Show, which is held in Kent the second Saturday of July. This is a great event open to all cars and trucks regardless of age. We do not accept motorcycles. Trophies are custom built utilizing recycled automotive parts and are a big hit to the lucky winners. The theme for this year's festival will be Kent Lunaropia, which will be the celebration of the Lunar Rover in space travel. A special trophy of the Lunar Rover will be awarded at the show.

GRAND PARADE

SUNDAY, JULY 14, AT 1:00 PM
along 4th Ave from Willis to James Street
This year's parade theme is Kent Lunaropia Days

PARADE INFORMATION: Kids and all the Family love the sights and sounds of the Floats, Dance and Rhythm teams, and the Civic Culture that fill the Kent street at Parade time. There won't be a separate category for the kids this year but rather a chance just to join in and have fun being in our home town parade.

We are anticipating the presence of several floats, the Seafair pirates and clowns and the Seattle All City band.

SEAFAIR ROYALTY: In its 69th year, the tradition of SEAFAIR Royalty is rich with custom and acclaim. Known throughout the Northwest and as far away as Mexico and Japan. SEAFAIR Royalty serves as the official "mascots" for SEAFAIR and Greater Seattle. King Neptune Rex and the Prime Minister for decades have

embodied the Puget Sound Area's image of fun, celebration and community involvement and esteem.

King Neptune Rex and his Prime Minister represent the SEAFAIR Festival at key events throughout the year. They symbolize the dignity of the community and serve as greeters and promotional spokespersons for the festival. The King is chosen for his community leadership and stature. The Prime Minister is chosen from the experienced ranks of SEAFAIR and provides festival continuity and knowledge.

The King is the highest honorary dignitary of SEAFAIR, is recognized as such throughout the Pacific Northwest, attends key SEAFAIR events and out-of-town festivals with the SEAFAIR Float tour, and serves as a representative of SEAFAIR and of the City of Seattle.

SEAFAIR PARADE MARSHALS: We also would like to extend our thanks to the Seafair Parade Marshals for their support in helping us organize and stage our Kent Cornucopia Days Grand Parade.

OTHER DIGNITARIES AT PARADE: • Miss or Mr Cornucopia 2019 • Miss Cornucopia 2018 and her court • Mayor Dana Ralph

- Members of the Kent City Council • Numerous local, state & national elected representatives
- 2019 Parade Grand Marshals are part of the Boeing team who worked on the Lunar Rover project over 50 years ago, Maine Tonkin, Dennis McKillip and Charlie Martin. Joining them is Michael Lombardi, Boeing Corporate Historian.

Kent Cornucopia Days "Dragon Boat Races"

DRAGON BOAT RACES ON LAKE MERIDIAN

Saturday, July 13, thirty plus teams will come to Kent to race for medals. The races begin at 8:30 a.m. and finals are after 3 p.m. Teams are from western Canada, Washington & Oregon, along with individual paddlers from California and across the

nation! We also have multiple community teams trained by local dragon boat clubs attending. They will race 250 meters while the club teams will race 500 meters. There will be numerous local Kent teams racing for the honors. The Kent Lions and the Kent Dragon Boat Association have spent all year planning for this event; it is one of the largest races in the state of Washington. The beautiful venue of Lake Meridian provides the perfect location for this style of race while giving the team members and public an outstanding view. This race benefits the Northwest Lions Foundation for Sight and Hearing.

There will be food, vendors, displays and fun for all ages. For more information, go to www.seattledragonboatraces.com

SHORT BACKGROUND ON DRAGON BOAT RACING

Dragon boat racing is people friendly and teams contain people of varying degrees of athletic ability and physical limitations. Some teams are recreational, in condition, and others may be seriously athletic. Some others may be blind, survivors of disease such as cancer, have diabetes, and have other special needs. They learn about what they can achieve and do not allow themselves to be overwhelmed with any restrictions. They celebrate life by being actively engaged with it, and having a great time living it.

The time spent in a dragon boat results in teams learning to work together in unison to race to the finish line. The skills that are acquired have more to do with technique and synchronization, than brawn. Upper body strength is achieved in the gym and increased in the dragon boat. Dragon boats can go at a fast clip, rising upon the water, as paddlers do up to 90 strokes and more a minute, an amount for a well seasoned experienced team. In China a dragon boat team looks like an extremely fast perpetual motion machine. The lighter the weight, the more seasoned the paddlers, the faster they can go.

The Kent Dragon Boat Association would like to invite anyone interested in the sport to check us out at www.kentdragonboat.com, we would love to have you join us. Questions, contact LionPatty@gmail.com.
