General Parade Instructions and Regulations

Parade identification number must be posted on the right-hand side of each entry for viewing. Numbers will be issued at the check-in point.

The Seafair Marshals in accordance with the Parade Committee will manage spacing and placement of units. The Parade Committee must approve any changes of the placement shown in the official parade line-up. Unauthorized changes have caused extraordinary confusion in the announcing procedures.

Late entries not listed in the official parade line-up will be entered only on the approval of the Parade Committee and/or Seafair Marshals.

All entries must maintain spacing of 30 feet behind the preceding unit. Parade Marshals, positioned along the parade route have the authority to regulate spacing.

The Parade Committee reserves the right to limit the size of all entries.

Participants are defined as anyone in the parade. Solicitation of parade observers is not allowed and is strictly prohibited as your unit proceeds down the parade route. Solicitation is defined as distribution of materials (gifts, merchandise, candy, brochures, cards, leaflets, pamphlets, etc.).

Throwing of any objects, the use of water or other material spraying devices, by any participant, is **strictly prohibited** for the safety of the observers.

Consumption or possessions of alcoholic beverages or illegal substances by participants is prohibited.

Any motorized unit must have a driver or a competent substitute with the unit at all times until the parade is completed except for units parked in the dispersal area. This is a safety issue. We need a copy of the vehicle's proof of insurance and a valid copy of the driver's license of the person driving the vehicle.

In case of emergency which may require police or fire vehicles, all entries are required to move as far to the right as possible.

Parade entries are by invitation only and must be approved by the Parade Committee. The Parade and the Festival Committee reserves the right to withdraw any unit of which costume, performance, or appearance does not conform to the standards or reasonable public taste.

The Parade and Festival Committee reserves the right to limit the number of participants/vehicles in each entry, the total number of units in the parade and the number of each entry classification.

Commercial and political candidates must pay an entry fee. Sitting office holders of the City of Kent, King County, Washington State or US Congress do not need to pay the entry fee if just riding in a vehicle with signage that states their position. Any political signage, the usage of volunteers or any other manner to promote election or re-election will require payment of entry fee and are subject to approval by the Parade Committee.

There will be no units or groups advocating, opposing or depicting political or social issues, only individual political candidates. There will be no multiple candidates or signage tapping onto another candidates entry.

Only entries which have paid a Commercial, Sponsor or Political entry fee may carry or display commercial or political signage. All signage subject to approval of the Parade and Festival Committee.

Additional rules and fees may apply to political units and will be advised prior to the start of our parade.

All floats, motorized vehicles and equestrian applicants must provide a "Certificate of Insurance" that must name all of the following as additional insured: Kent Cornucopia Days, Kent Lions Club and Foundation and City of Kent. We already have forms from the Girl Scouts, Boy Scouts, 4H and Campfire Boys and Girls Clubs.

Your entry may be removed from the parade for violation of these rules, or instructions given to you by the Seafair Parade Marshals.

Your cooperation is appreciated and required.
