

Welcome to the Kent Cornucopia Hotline.

First off, I have moved to the beach full time so this is my last year as director of this race and with the Kent Lions. I will be back to help but the new director for 2023 will be Jules Halvorson.

Please check our website starting **July 6th**. We will do regular updates to include bracketing.

1. Please complete and return the attached roster by **July 6th**. During the Eventbrite process we failed to capture which division you want to be in and if you want to be a part of the specialty races. Whomever gets the roster in first, gets a lane in the specialty races. One specialty race per team. No signatures required, just names.
2. I am trying to match up registrations through Eventbrite, paper and the waiver process. I have a few waivers from teams who have not registered yet. The waiver is on our website. Please let me know if you have any questions.
3. Parking is always a challenge. We will have 2 parking passes for each team. When you check in, the third car will be asked to move on. We will have the shuttle again so the parking map will be on our website with addresses. The only change from previous years is at Horizon Elementary. It will be in their soccer field.
4. Registration will open at 7 a.m., please check in no later than 8 a.m.
5. Albert Ting is setting up the brackets. If you know that a team plans to register, give them a nudge. Registration closes July 1.
6. No clue as to weather forecast but let's plan for 80-90s
7. We are working on vendors and as of right now I believe we have coffee to start the morning.
8. If you come on Friday, come on down to old town Kent and check out the main event. Again, check out the website for what is happening.

Enough. More to come. WE have over 25 teams to include So California Masters. Let's show them some hospitality along with our Oregon friends. I expect all Washington folks to be the greeting committee. Especially KDBA as our partner.
